

Canada's leading provider of Deafblind services

DBCS INTERVENOR SERVICES

Intervenor services provide specialized communication and support to empower people who are Deafblind to live with confidence, independence, and safety.

DBCS LITERACY PROGRAM

DBCS's literacy and basic skills program provides inclusive one-on-one instruction for Deafblind adults in Ontario.

DBCS EMERGENCY INTERVENOR SERVICES

Our emergency intervenor services program provides 24/7 intervenor support for DBCS clients in Ontario in emergency situations.

What is Deafblindness?

Deafblindness describes a condition that combines hearing and vision loss, with degrees varying from person to person.

Dispelling misconceptions

When you think of the word "Deafblind", you probably imagine a world of total darkness and a complete lack of sound. In fact, most people who are Deafblind usually have some degree of vision or hearing.
