SOLUTIONS FOR PERSONAL SAFETY

MOST POPULAR:

The Freedom Alert allows you to program the phone numbers of neighbours and relatives and call them with an easy pushbutton speakerphone that works indoors or out. NO MONTHLY FEE. The kit costs \$365 and we can program and test it for an additional \$75

FULLY MONITORED:

The Helpline calls a professional monitoring station when you press the button. They try to contact you and if they get no response, they dispatch immediate help and then call your contacts. RENTAL AND MONITORING for \$34.95 per month plus a one-time installation and set-up fee of \$55.00

THE MOST COMPREHENSIVE:

The Carelink Advantage system gives your family the tools to be an effective caregiver, with monitoring devices in your home that let them track your daily well-being without invading your privacy. RENTAL AND MONITORING starts at \$128 (varies with complexity) plus \$200 installation, programming and testing.

THE SIMPLEST:

The Guardian Alert connects you to 9-1-1 when you press the button and lets you talk directly to the dispatcher through the speakerphone you carry with you. Works inside the house and out in the yard or garden. NO MONTHLY FEE. The kit costs \$180 plus \$55 for installation.
