

What are you plans for the future? When are you going to finish your high school? Why don't you just get a job? Do you even have any marketable skills? Where do you want to work? How many hours a week do you want to work? What do you want to do for the rest of your life? Aren't you going to post secondary education? When do you expect to graduate? Have you ever had a resume? When have you last graduated - what are you going to do for work?
