

Looking for a SUMMER job?

Are you aged 15 to 18?

Youth Job Connection Summer Program

EARN MONEY

Build Skills

Get Connected

Are you having trouble finding a summer job? The Youth Job Connection Summer program provides summer job opportunities and part-time job placements during the school year. We're here to help high school students aged 15-18, who face significant barriers in finding jobs make positive educational and career choices.

Your job is out there.

We'll help you find it.

- Paid pre-employment training to promote job-readiness
- Job matching and paid job placements
- Mentorship services
- Education and work transitions supports
