Organization	Classes Offered	Details
Zehr's Stratford 865 Ontario St, Stratford	<ul style="list-style-type: none"> •Adult Classes •Little Hands (age 2-6) •Kitchen Kids (age 6-11) •Teen Classes (age 11-16) •Seasonal – Kids- All ages •Camps (age 6-11) •What's For Dinner? •Private and Corporate Cooking Classes 	Various cooking classes available for both children and adults. Cost for individual classes and class registration available online. https://www.pccookingschool.ca
Salvation Army Phone: 519-291-2900 Email: Gwyneth_Woods@can.salvationarmy.org	Food Explorers Cooking Club	Calling kids ages 9 to 11 to join our Food Explorers Guide to Cooking! A fun cooking club where kids are given the opportunity to taste, cook, and learn about delicious food. This program brings kids into the kitchen for an exciting, hands-on way to learn about food. Kids will learn basic cooking skills and make delicious food every week. No Cost. Call or Email for more information on registration.
St. Marys Public Library 15 Church Street N, St. Marys Phone: 519-284-3346	Cooking Club (Adult Program)	Join us the second Thursday of each month at 10:30 am for our Cooking Club Whether you're a seasoned chef or just beginning, this club is for you! Join us each month to talk recipes, techniques, ingredients, and more! A new cookbook will be provided by the Library each month to inspire new members between meetings!

		For more information or to register for this book club, drop into the library or give us a call. Newcomers are always welcome!
<p>The Local Community Food Centre 612 Erie Street, Stratford Phone: 519-508-3663 Website: https://thelocalcfc.org/</p> <p>Contact Kate Van at 519-508-3663 ext. 1003 or kate@thelocalcfc.org for availability and to register.</p>	<p>Community Kitchen Tuesdays 5:00pm – 8:00pm</p>	Educational evening cooking sessions for everyone interested in cooking healthy, delicious meals on a tight budget. At the end of the session, everyone enjoys the meal they prepared together.
	<p>Newcomer Family Community Kitchen Fridays 10:00am – 1:00pm</p>	This exciting weekly program has been designed to bring newcomers to Canada, including friends and sponsors, together to cook and share recipes from their home countries. Each session ends with an enjoyable community meal with plenty left for each family to bring an additional meal home!
	<p>Gardener’s Plate Mondays 10:00am – 1:00pm</p>	For seniors, this 10-week program focuses on teaching skills, knowledge, and behaviours on growing and harvesting food, and preparing whole foods in the kitchen. Improve your physical health and mental well-being in the garden and kitchen. Registration required.
	<p>Food Fit Thursdays 5:00pm – 8:00pm</p>	A program for those who are ready to make changes towards better health. Participants develop the tools to make healthier lifestyle choices through nutrition and healthy cooking education and group exercise activities. Weekly group sets collective goals and provides invaluable peer support. At the end of each session, everyone shares the healthy meal that was prepared together.
<p>The Local Community Food Centre 612 Erie Street, Stratford Phone: 519-508-3663 Website: https://thelocalcfc.org/</p>	<p>Pizza FEAST Wednesdays 3:30pm – 6:30pm</p>	All the kids in Stratford are invited to create their own custom pizzas cooked in the Stratford Chefs School wood-fired oven in the community garden! Also, storytelling and live entertainment from the Stratford Public Library!

Contact Megan Stong at 519-508-3663 ext. 1004 or megan@thelocalcfc.org for availability and to register.	Seed, Feed, and Lead Fridays 2:00pm – 5:00pm	A fun and hands-on program for kids/youth of all ages to learn how to cook nutritious meals. Participants bring home a batch of what they've made to share with their families.

You will discover why you eat the way you do and learn to take steps to change your problematic eating habits. This Workshop will help you:</p> <ul style="list-style-type: none"> • Identify your own personal problematic eating triggers

700 O'Loane Avenue, Stratford
Phone: 519-273-1060

511 Huron Street, Stratford
Phone: 519-508-1212

- Understand why it is so hard to change your eating habits
 - Learn many different strategies and techniques to change either your triggers or eating response
 - Develop a healthier relationship with food
 - Maintain your healthier eating habits
- Eligibility: This program is for patients of the STAR Family Health Team but is open to community friends and family is sport are available. Please call 519-273-1060 ext. 254 for availability.

Feeding Your Baby

Join our Registered Dietitian, for an information session intended to help parents with babies 2-6 months old. Parents will have a chance to ask questions and have a discussion with other parents about feeding their baby. There will also be a demonstration on making your own baby food.

Topics discussed include:

- How and when to introduce solids
- Texture progression
- Feeding relationship
- Making your own baby food

Register online or call 519-273-1060 ext. 254 to enroll.

Heart Health Workshop

This is a 2-hour workshop with our Registered Dietitian intended for adults with high cholesterol. Topics that will be discussed include heart disease risk factors, what the cholesterol numbers mean, and diet and lifestyle changes that can help you become more heart healthy.

Eligibility: Must be a patient of STAR and have recent cholesterol bloodwork completed.
Register online or call 519-273-1060 ext. 254 to enroll

Bone Health

Now open to the community this 4-week program, provided in partnership by OneCare, VON, STAR Family Health Team, the Huron Perth Public Health, and Osteoporosis Canada, offers information on lifestyle strategies to maintain bone health and prevent fractures. Nutritious snacks will be provided (\$5.00).

Please call 1-877-502-8277 and ask for the registration department to enroll.

COPD Clinic

If a patient of the STAR Family Health Team has Chronic Obstructive Pulmonary Disease (COPD), they may be given an option to attend the COPD clinic, held monthly at each of the three sites of the STAR Family Health Team. This clinic gives the patient the opportunity to meet with a Nurse Practitioner, Pharmacist and, as needed, a Dietitian or Mental Health Counsellor to discuss important factors that will help the patient to live better with this condition. Each patient will receive education about COPD and an individualized action plan to help them monitor their condition and implement the necessary steps if unusual symptoms arise. The COPD Clinic is available at each of our three sites. Please consult your family doctor to discuss if this program would be of benefit to you.

Eligibility: Must be a patient of STAR.

Diabetes Clinic

Diabetes is a chronic illness that requires ongoing supportive care to help prevent some of the complications that may arise. The STAR Family Health Team has developed an individualized approach in the management of patients with diabetes. This clinic offers a medication and bloodwork review completed by the pharmacist before the appointment and patients the opportunity to see a nurse practitioner and registered dietitian. Patients will learn to self-manage their diabetes through meal balancing, medications and goal setting. The Diabetes Clinic is available at each of our three sites. Please speak with your family doctor or Nurse Practitioner to discuss if this clinic is an option for you.

Eligibility: Must be a patient of STAR

Diabetes 101

Learn what your lab results for blood sugar control mean, how meal timing affects your blood sugar, which foods affect your blood sugar and which ones don't, how to meal plan for diabetes and prediabetes, and what other factors affect blood sugar.

Classes are lead by a registered dietitian and nurse practitioner. By taking part in this program, participants will gain the opportunity to have diet questions answered, will receive a resource package to help make sustainable changes, and will gain self-management skill building.

	<p>Eligibility: Diagnosed with prediabetes or Type 2 diabetes. Register online or call 519-273-1060 ext. 254 to enroll.</p>
<p>North Perth Family Health Team Leanne Richardson, RD</p> <p>185 Inkerman Street E, Listowel Phone: 519-291-5947</p>	<p><u>A Step in the Right Direction – Walking Club</u> Step in the Right Direction is a 1-hour, weekly walking program which takes place at the Steve Kerr Memorial Complex’s indoor walking track. Healthy Strides- Falls Prevention

Healthy Strides is a Fall Prevention Program offered through the North Perth Family Health Team. It involves a group of health care providers working together to help seniors, or adults with a disability, at risk of having a fall; stay independent, healthy and safe.

This program will help you understand:

- What may be putting you at risk of falling?
- How to reduce your risk of falling.
- What other community programs and/or services are available.

Throughout this program, assessments are conducted by health professionals such as a nurse, pharmacist, dietitian, occupational therapist. Some of these assessments are done in your home, and some at the clinic.

Healthy You – Aging Gracefully

This is a free, 6-week interactive series, featuring guest speakers and health professionals from a variety of organizations including Alzheimer Society, Osteoporosis Canada, Philips Healthcare, Listowel VON, HearingLife, Optometry and North Perth Family Health Team. This workshop series focuses on topics such as: nutrition, exercise, medications, brain health, fall prevention, bone health, vision and hearing. Nutritional snacks are provided.

For more information contact: Leanne Richardson at 519-291-3125 ext. 6271 or email: lrichardson@npfht.ca

Nutrition Program

The goal of the NPFHT Nutrition Program is to increase the scope of nutrition and dietetic services available to family physicians and other allied health professionals

Contact Program Lead: Leanne Richardson at 519-291-3125 ext. 6271 or email: lrichardson@npfht.ca

<p>Happy Valley Family Health Team Teresa Fowler, RD</p> <p>268 Maiden Lane, PO Box 1120, St. Marys Phone: 519-284-3450</p>	<p>Diabetic Clinic</p> <p>Our program provides routine monitoring for our diabetic patients. Our goal is to improve their health and reduce potential diabetic complications. Education and support is available from our multi-disciplinary health team to assist in managing diet, exercise and medication. To book an appointment, please contact the front staff.</p>
	<p>What's Eating You? Workshop</p> <p>Find out why you eat the way you do, why it's hard to change your eating habits and what you can do about it. The intent of this 6-week workshop series is to have participants: reflect on why it's difficult to eat in healthy ways, determine environmental factors and personal eating triggers, learn a variety of strategies for positive change over the long-term. Program is run by a dietitian and social worker. 2-hour works held weekly for 6 weeks at St Mary's Memorial Hospital basement meeting room. Workshop is free. Register by calling 519-284-3450</p>
	<p>Nutrition Counselling</p> <p>A Dietitian may help to identify nutrition problems and assess your nutritional status. This may include developing a plan of care and monitoring the effectiveness of nutrition interventions. The Dietitian will also counsel patients on special diets and aid in making diet and lifestyle modifications to manage chronic disease. The Dietitian can also assist in making healthy lifestyle changes in infants, children and adults for: weight loss, pregnancy, vegetarian eating, label reading, meal planning, and help you decipher what to believe in the media and on the internet! Individual appointments with the RD can be made by calling our receptionist at 519-284-3450.</p>

<p>St. Marys Public Library 15 Church Street N, St. Marys Phone: 519-284-3346</p>	<p>Seed Lending Library The seed library was created as a way to provide community members with the opportunity to plant, grow, harvest and exchange a variety of seeds. Seed packets may be checked out by anyone who wishes to use them in their home garden. The Library is encouraging those who check out seeds to try to preserve and return them at the end of the season, so that the collection will be well stocked for the following year. To help with seed preservation, the Library has purchased a number of books about seed saving and how to go about the process. These books are now available to borrow with a Library card Visit the Library anytime during their regular hours to learn more about seed lending and check out your first packet of seeds.</p>
<p>Stratford Public Library 19 St. Andrews St., Stratford Phone: 519-271-0220</p>	<p>Digital Research Resources on Health and Wellness Customers can search for further information on nearly any health related topic.
